OBJECTIVE

Sophomore with a strong interest in computer science. Eager to acquire leadership skills and experience in a professional workplace. Fast-learner, hardworking, and excited to make a difference with technology.

EDUCATION

Tufts University, B.S. in Computer Science
Sep 2017 - May 2021

Medford, MA

GPA: 3.89
Dean's List Fall 2017 - Fall 2018

PROJECTS

God Jammit! - <https://god-jammit.herokuapp.com/>
Oct 2018 - Present

- Designed and implemented entire layout of web app using HTML, CSS, and Bootstrap
- Developed dynamic "rooms" for jamming sessions that users can join using socket.io, JavaScript, and Express.js
- Integrated MIDI instruments and keyboard play-ability using tone.js and tonejs-instruments
- Redesigning recording function for cleaner recording of jamming sessions

EXPERIENCE

Prime Now Shopper, Amazon
Oct 2018 - Feb 2019

Medford, MA

- Manage orders varying from 5 to 50 items or more
- Handle items such as fruits, vegetables, and packaged foods, carefully and efficiently
- Package items in paper bags in preparation for deliveries
- Develop social skills in communicating effectively with customers and co-workers

EXTRACURRICULAR ACTIVITIES

Vietnamese Students' Club, Tufts University
Sep 2018 - Present

Medford, MA

- Record notes from meetings for club's members
- Plan campus events that promote Vietnamese culture
- Ensure new members feel welcomed in the club
